Digital Marketing Course in Ashram Chowk – Frequently Asked Questions:

Q1: Who can enroll in the Digital Marketing Course in Ashram Chowk?

The Digital Marketing Course program is designed for students, recent graduates, working professionals, entrepreneurs, and business owners who wish to develop a digital presence. No prior experience in digital marketing is required; the Digital Marketing Course is designed from the very beginning and will gradually take you from the basics to advanced aspects.

Q2: How long does the Digital Marketing Course last?

The length of the Digital Marketing Course can be anywhere from 3-6 months depending on whether you chose a weekday batch or weekend batch. The Digital Marketing Course is run at flexible time slots to suit the busy lifestyle of working professionals or students.

Q3: What practical hands-on training will I receive?

Yes, NSIM focus on 100% practical training. You will learn by doing live projects, case-studies, and campaigns, it will be equivalent to working with real clients. You will also gain the necessary hands-on experience and knowledge of Google Analytics, Google Ads, SEO tools, social media accounts, email marketing, and so forth.

Q4. Am I getting assistance with job placement?

Yes, NSIM provides 100% job placement services for the length of the entire course program, and it includes resume assistance, mock interviews, career advice, and job referrals. Our focus is for students to help them attain employment in high-level organizations as Digital Marketing Executives, SEO Specialists, Social Media Managers, PPC Specialists, Content Marketer, etc.

Q5. Can I take the course online?

Yes, the course as offered both online and in-class, thus allowing the student to select the learning method that works best with their schedule and learning preferences. The online classes will be engaging live classes and will have similar content to the in-class class instruction.

Q6. Will I get a certificate after the course is completed?

Yes, after the course is completed you will receive a NSIM certificate that will be recognizable in the industry and help to increase your credibility for job placement.

Q7. What type of employment can I seek after completing the course?

After successfully completing the course, you can fill the following job positions: Digital Marketing Executive, SEO Specialist, Social Media Manager, PPC/Google Ads Specialist, Content Marketing Specialist / Content Marketing Strategist, Email Marketing Specialist, Affiliate Marketing Manager, or even be a freelancer or even start your own digital marketing agency.

Q8. Do we offer demo classes?

Yes, NSIM offers free demo classes that will allow you to understand what's in the course, the teaching methods used, the practicality of the course, before you join.

Q9. Why should I choose NSIM Institute for digital marketing certification training?

The NSIM Institute is different because it was founded by industry practitioners who have experience in the industry, therefore we can offer training backed by real-world experience, which then brings in practical learning, live projects, flexible batch options, and dedicated placement support. We make sure every student learns the theory and gets real-world examples from Day 1 that get them job ready.

Q10: Is the course suitable for entrepreneurs and business owners?

Absolutely. The course is perfectly suitable for entrepreneurs and business owners looking to build their business by focusing on digital marketing and generating leads and online visibility through SEO, social media marketing, marketing content strategies and paid campaigns.
